Message from the Organising Chairman

It is our pleasure to welcome you to the 10th ASEAN & 7th Perak Health Conference on Primary Health Care which is to be held from 21st to 23rd July 2017 at the Kinta Riverfront Hotel, Ipoh, Perak.

As we progress to our 10th ASEAN Conference, the Perak Medical Practitioners' Society together with the Postgraduate Medical Education Society, Raja Permaisuri Bainun Hospital have now collaborated with the Malaysian Association of Public Health Physicians (Perak Branch) to organise this year's conference on primary health care. This would make it the biggest meeting on health care in Perak this calendar year.

The theme for this conference "Private-Public Partnership in Primary Health Care" comes at a time when there would be much desired co-operation and collaboration between the private and public sectors in forging better and efficient provision of health services to everyone in need. The Scientific Committee, under the stewardship of Dr V Paranthaman, Dr A Subashini and Dr Choong Choon Hooi has gone into great details to cover as wide and as many topics of interest as possible given the time frame of this conference. The scientific programme will consist of pre- and congress workshops, plenaries and concurrent symposia. Distinguished and renowned speakers will share their knowledge, expertise and give us an update on topics concerned.

Ipoh has been voted on many occasions as one of the best ASEAN/Asian cities. Its old world charm and booming hipster cafés have impressed the largest travel guide book publisher, Lonely Planet to rank it a top ten destination.

We would be delighted if you could make every effort to join us in Ipoh, Perak for this meeting.
